

FRONT PORCH LESSONS

COUNTRY WISDOM TO COLOR

Sit a spell on the front porch
and enjoy these coloring pages
inspired by old-fashioned country life,
simple lessons, and the little
things that still matter.

"Every old thing
has a story,
and every story
has a lesson."

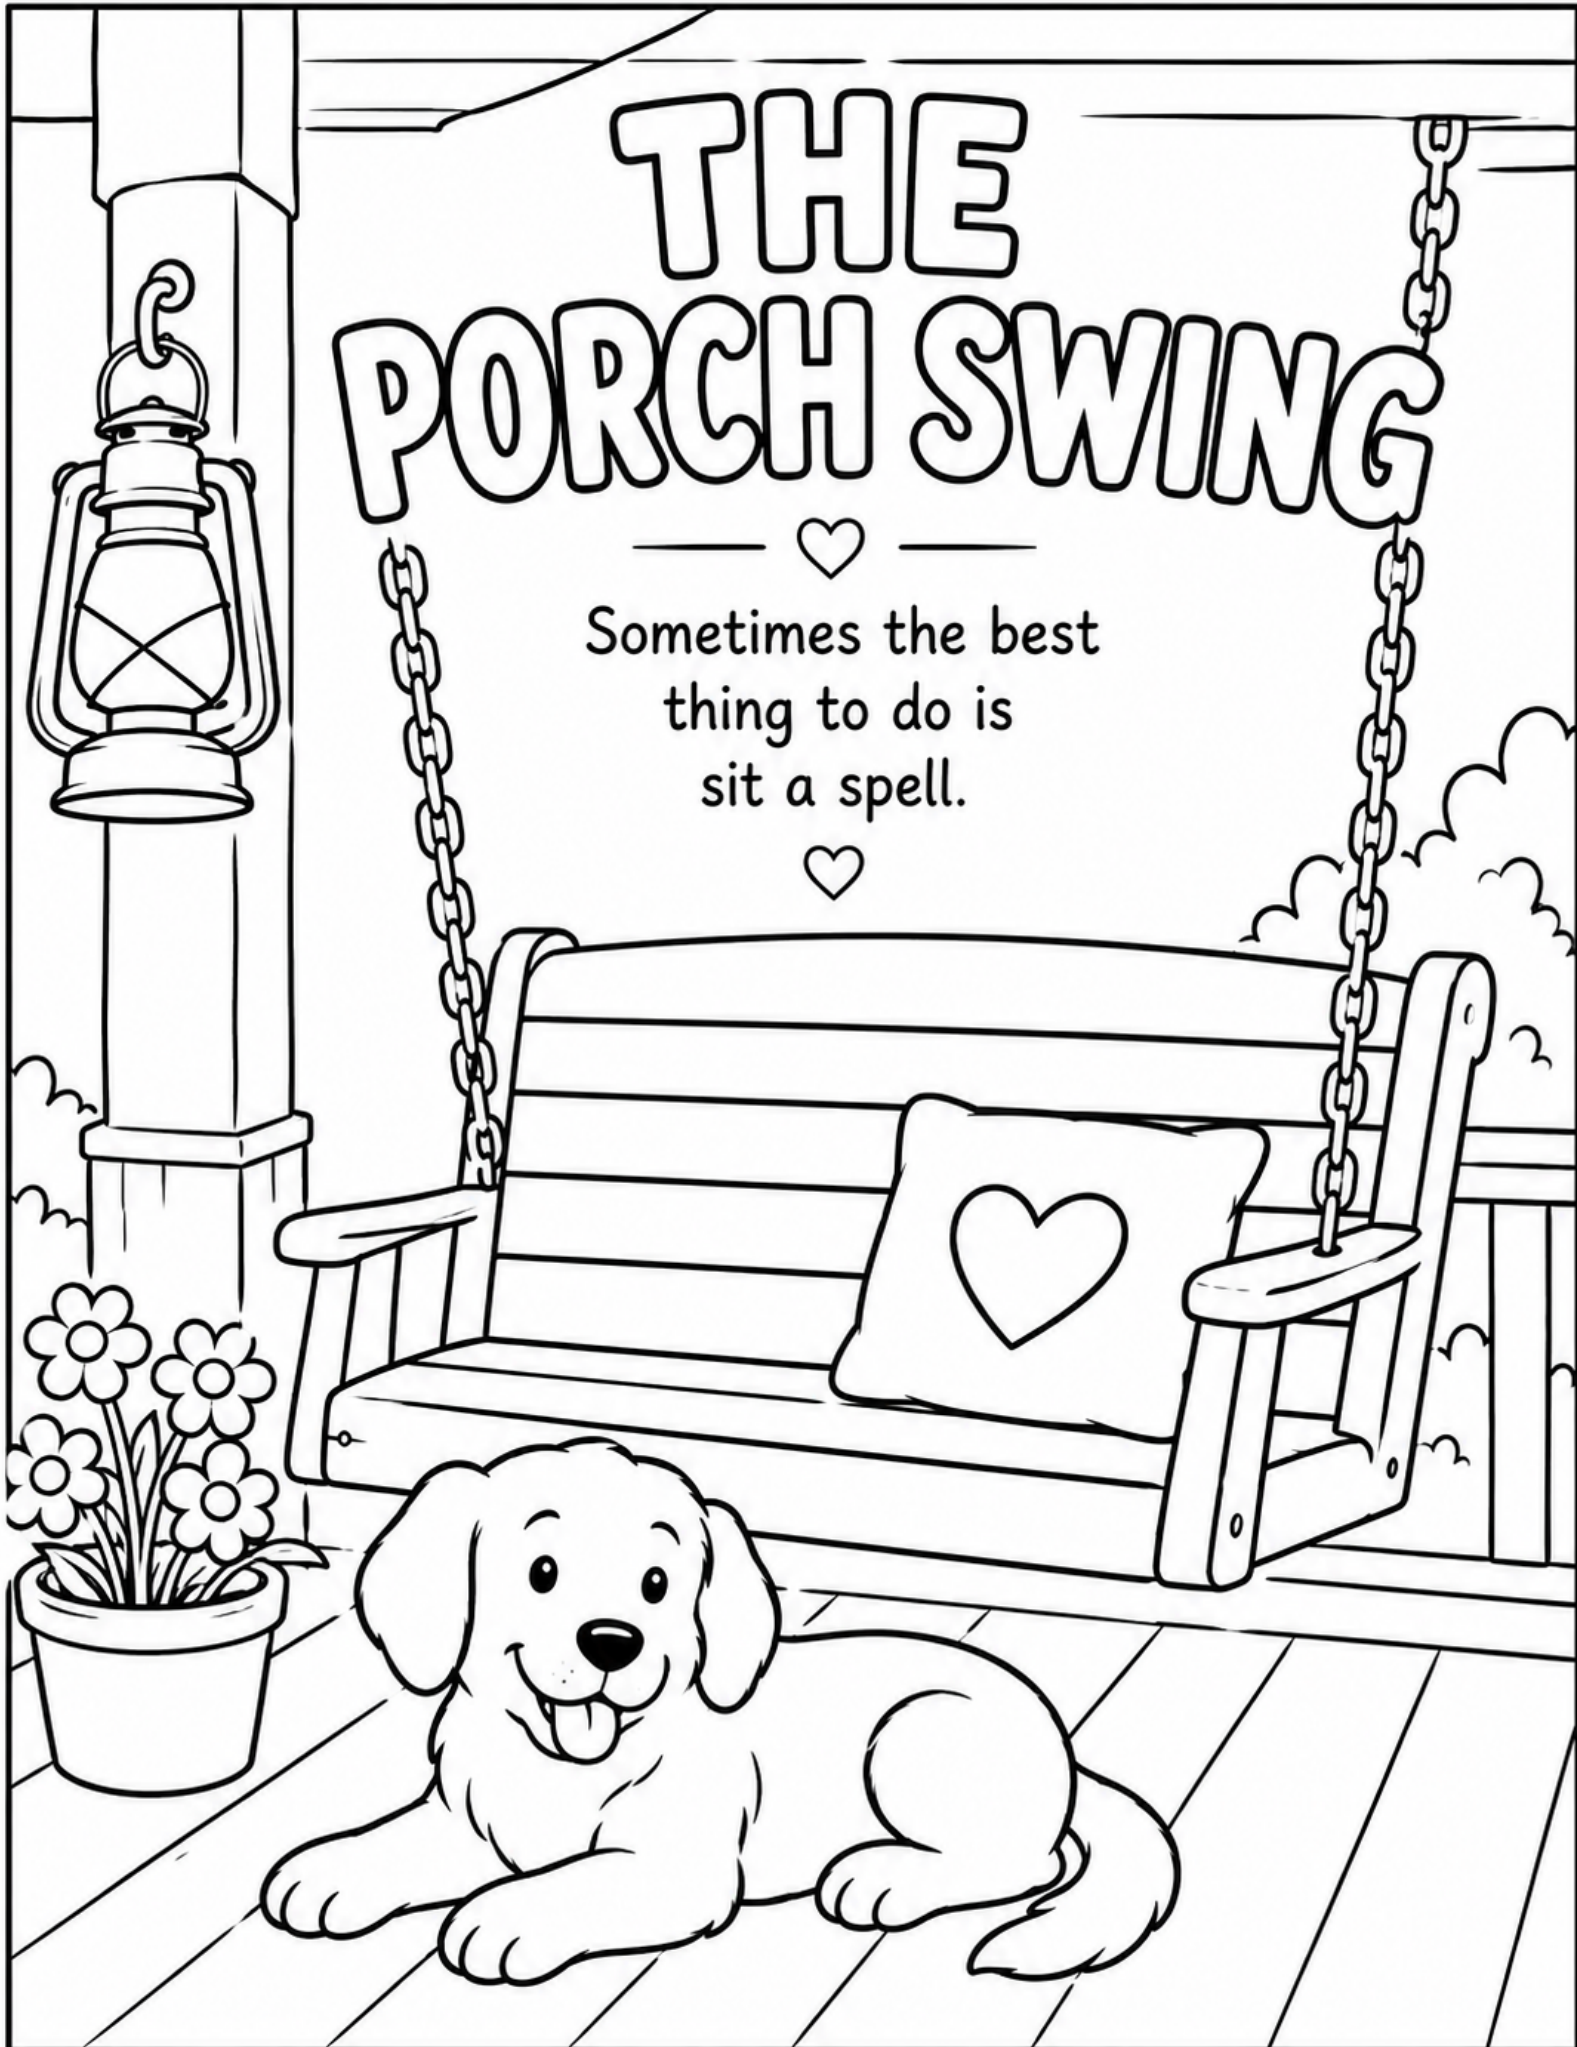

By Mark Morgan

THE PORCH SWING

Sometimes the best
thing to do is
sit a spell.

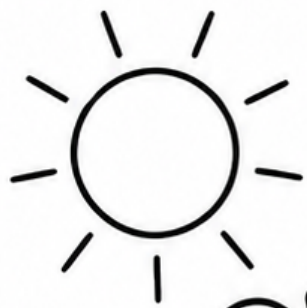

THE COFFEE CAN OF BENT NAILS

Bent doesn't
mean broken.

THE CLOTHESLINE

A little sunshine.

A little wind.

A whole lot
of fresh.

THE BOOT SCRAPER

It keeps the
mud outside
where it belongs.

THE OLD FENCE POST

It may lean a little,
but it still
holds its ground.

THE

PORCH LANTERN

A little light
makes a big
difference.
